Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Social Aspects of the Jewish Colonies of South Jersey The writer s data spring from a community survey of all the colonies to be considered hereafter, from annual reports of the Jewish Agricultural and Industrial Aid Society, from statistics of the Baron de Hirsch Fund, and from supplementary communication with their officials and conversation with pioneers in the Jewish colonization movement. The data have all been collated and set forth with a will to absolute impartiality. May I thank by name the gentlemen just referred to: Gabriel Davidson, the general manager of the Jewish Agricultural and Industrial Aid Society of New York City; Mr. Maurice Fels, of Philadelphia; Mr. Louis Mounier of Vineland, New Jersey; Mr. Frank Hartman, supervising principal of the Woodbine Land and Improvement Company, as well as all those others who helped to make this thesis possible. May the writer s hopes for the advancement, no matter how slight, by this paper, of practical wisdom as applied to the Jewish problem go not unfulfilled! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
