BRADT TRAVEL GUIDES, United Kingdom, 2018. Paperback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. This new, third edition of Bradt's Romania: Transylvania remains the only standalone English language guide to this legendary and enchanting region. Comprehensive chapter-per-county coverage is offered, including details to cater for the diverse range of travellers to the region, from city breaks to rural escapes, ski enthusiasts to charity volunteers. More attractions have opened up, such as Baroque palaces formerly owned by Hungarian aristocrats, seized under the Communist regime and now being restored by the descendants of their original owners. And the region is developing its offer for new types of tourism, such as summer rock festivals, notably the Untold Festival at Cluj and Electric Castle Festival at Bontida. Transylvania, literally the land beyond the forest, is a wild, wooded, intensely romantic region, filled with mountains, gorges and valleys, myths and legends, dragons, bears, wolves - and vampires. Bram Stoker called it one of the wildest and least-known parts of Europe a description which remains true today. One of the most beautiful regions in central Europe and home to three UNESCO World Heritage Sites, Transylvania preserves its cultural and artistic treasures in a unique landscape, bordered on three sides by the Carpathian Mountains. The hay meadows of the lower Carpathians...
