Greenleaf Book Group LLC, United States, 2016. Hardback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book. The Age of Disruption Today's disruptive, tumultuous, and ever-changing global business environment shows no signs of slowing. Authors Shane Cragun and Kate Sweetman believe it is time for a wake-up call to those hoping to thrive in the 21st century. Reinvention is the first business book to propose a simple algorithm, common principles, and set of tools that apply to both individuals and organizations facing disruptive and radical change. The ability to pivot quickly, profoundly, and effectively might be the most important core competency individuals and organizations must attain in order to prosper in the new economy. And it isn't enough to be able to change when you have to; you must change before you have to, in proactive ways that allow your organization to leverage incoming global shockwaves to boost performance. Cragun and Sweetman use contemporary examples to drive important points home. Key strategies are couched in metaphors to create visual maps that will help you implement their new learnings at the moment of need. The stories and case studies are compelling, eclectic, and global, and take you beyond just the world of business. Reinvention includes chapter insights written by six global experts from six different geographical business regions around the globe. .
