Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.
(Mr. Grant Stanton PhD)

THE KID DETECTIVE

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 132 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. Three mysteries from the case files of Kid Detective, Bobby Easley. Cookie Monster Another cookie has gone missing without a trace. No crumbs. Never any crumbs. . . The Crumbler. Looks like the perfect job for kid detective and cookie enthusiast, Bobby Easley, but cracking the case of The Crumbler proves to be complicated. Forensic evidence is scarce. A ten year old only has so many resources. Bobby must rely on good ol fashion gumshoe work in order to taste sweet victory. Something in the Air A fart was the second case that blew Bobby Easleys way. A fart, an air bagel, a squirrely squeaker. . . Jack the Ripper. Four seventh-grade suspects. Four denials. That was typically the deal with farts. Not a lot of people turned themselves in. With his new partner, lil sis, Ginger Easley, and her powerful sense of smell, they drill the suspects, recreate the crime scene, analyze the data, crunch the numbers, and cut to who exactly cut the queso. Aged Grounds Lastly, over at a retirement resort some coffee beans have gone missing. Grandpa Franks beans, to be exact. Kid Detective, Bobby Easley, must navigate the twists and turns and sift through the suspects; mostly a bunch of wrinkly, really old, old people, in order to solve the mystery of the missing coffee grounds and brew a cup of hot justice before the case goes cold This item ships from La Vergne, TN. Paperback.
