In our new book we show investors on Main Street how to make money by renting their stocks! That's right! Investors can actually rent stocks in their portfolios by trading covered call options. This conservative investment strategy allows investors to generate extra cash flow in their portfolios. The covered call options strategy is so safe, it is suitable for most retirement accounts. By the time you finish reading this book, you will agree that this conservative investment strategy is indeed bulletproof! Ms. Mack has an extraordinary ability to explain complex financial subjects with the use of simple examples and analogies. The covered call strategy is one that can be taken advantage of by anyone who currently owns or is contemplating owning shares of most companies. Much higher earnings and returns are awarded to persons who astutely engage in this basic option strategy. --- Gustavo Ayala, Director of Power Trading, Bolt Energy A thorough review of the latest in sustainable financial innovation which seeks to protect a wider sector of the economy including those historically ignored by more mainstream finance from unprecedented yet still rising risks facing investors, savers and institutions. Dr. Mack and her team have produced an impressive text which synthesizes a rarely detailed discussion of recent crises, established finance and strategy pedagogy, and a welcomed approach to offsetting said risks all the while prudently seeking alpha. --- Pye Ian, MBA - Economic Analyst and Private Equity Investment Advisor Under current monetary policy paradigm, the authorities permanently convert someones private failures into public debts thus transferring public wealth into private pockets at their choice. The whole debt pyramid is huge, drags the economy down but still growing. What can...
