A Connecticut Yankee in King Arthurs Court is Mark Twains classic tale of Hank Morgan, a resident of 19th century Hartford Connecticut who is inexplicably transported to the early medieval England of King Arthur. A classic satire, A Connecticut Yankee in King Arthurs Court pokes fun at the romanticized notions of chivalry and the idealization of the middle ages. A delightful and enchanting tale, A Connecticut Yankee in King Arthurs Court shows Twain at his satirical best. As with all of Mark Twains work this book works on two very different levels. The first of course is a simple adventure story the second is a bitingly satiric work that unmasks many of the hypocracies of conventional wisdom. What else can be said about Twain except great story. Imaginative work paralleling medieval England with Industrial America in the lat 19th century. Witty, adventurous and well written. This item ships from La Vergne, TN. Paperback.
