

A Fine Basket of Fish Beatrice Sterling Volume 1

By Barry Scott Will

Valutivity Press. Paperback. Condition: New. 178 pages. Dimensions: 8.0in. x 5.0in. x 0.4in. Betty Sterling is a common thug with a chip on his shoulder not surprising since his name is Beatrice until he's hired to do the kind of job he's never done before. When Betty is sent to help fishermen who aren't catching any fish, he'll reel in a lot more than he bargained for. Join Betty and his friends, Jewels and Sam, as they go fishing for answers and learn more than they wanted to know. Imagine a world where magic is as common as brushing your teeth. Levitating oaters travel city streets and high-rise buildings employ spell-casters to levitate people up on specially-designed lifts. Wand-slingers and mind-readers abound and humans rub shoulders with tiny elves and massive ogres. Watch your back, guard your mind, and never forget to keep your wand in its sheath. A fresh e-book with a brand new perspective. This is certainly for anyone who states that there had not been a really worth reading. I am just happy to explain how this is the very best publication I have gone through in my individual lifestyle and may be the best pdf for ever.
