

Faith of Our Fathers: An Introduction to the Evangelicals (Paperback)

By William W Wells

Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Faith of Our Fathers explores the historical roots of the contemporary American Evangelical movement. In order to provide context, the first chapter offers a thumbnail sketch of church history prior to the Protestant Reformation. The second and third chapters discuss Reformation history and theology. The fourth chapter discusses British and American Evangelicalism during the 18th and 19th centuries. The final chapter describes the early 20th century development of Fundamentalism and then the emergence of contemporary Evangelicalism out of those Fundamentalist roots.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
