Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Special Announcements: Elocution and Oratory; Normal Department; New Dormitories It is to be regretted that the principles of public speaking have been so little understood, not only by the general public, but by some teachers of Elocution. In many places the idea prevails that this study consists in the recitation of selections given after the manner of some teacher who disregards the individuality of the student. This is a serious mistake and can but bring censure from thinking people. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
