

Torah and the New Covenant, an Introduction

By Daniel Gruber

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Two communities, which both started out from Jerusalem, have long pointed their members in opposite directions to pray and serve God. Members of both have seen an irreconcilable conflict between the Law of Moses and the New Covenant which Yeshua brought. Traditional understanding ignores the historical reality, which is actually quite clear. As Irenaeus recorded in Against Heresies, written about 180 A.D.: the Apostles. allowed the Gentiles to act freely, yielding us up to the Spirit of God. But they themselves, while knowing the same God, continued in the ancient observances. Thus did the Apostles. scrupulously act according to the dispensation of the Mosaic law. Was there a conflict between how they lived and what they believed and taught? Here is the opportunity to examine the Scriptures anew in the hope of distinguishing between ageless wisdom and accumulated error. ElijahPublishing.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
