Carolyn Davis, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the mid 1990 s Carolyn exhibited the gift of communication with the angelic realm. Through the many years of spiritual revelation and personal growth, she has now put in writing a multitude of short poems/lessons which really resonate with the enlightened and all others who thirst for spiritual nutrition. Because of her unique way of applying her wit intertwined with her unencumbered access to the collective conscientiousness/universal intelligence, you will find her work both thought provoking as well as spiritually consoling. For those fortunate few who understand terms such as The Now. . Being. . Egoic Mind etc, you will thoroughly comprehend where Carolyn has been and where she is going! Be sure to let each poem/lesson marinate as her spiritual brother stated while taking in her beautiful work! Enjoy !.
