Go Figure (Paperback)

By Drew Milne

Salt Publishing, United Kingdom, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Hamlet famously found himself ill at the numbers of poetry. These poems are no less ill at ease with the metrical or geometrical principles which constrain their movements, though freedom from maths is hard won. While Milne's earlier poems have a reputation for opacity, the aphoristic prose poems which make up 'Aftermaths', the book's concluding afterword, offer a blisteringly explicit account of the book's arguments. Part of the resulting excitement of this new poetic book-form is the tension between the parts that make up the whole. Go Figure's internal resonances thus combine extraordinary levels of refracted or playful poetic detail with direct challenges to the way life, art and society are currently constituted. Through the rubble of capitalism's wars, fetishes and interior decorations, the book seeks figures for what comes after maths. Out of the poetics of everyday life, maths are found wanting, while fragments of a different, more speculative approach are put forward. A variety of mathematical masks, formulae and mysteries are exposed, but the biological tyranny of number-crunching is also found poisoning art and...

Reviews

This publication is definitely not effortless to get going on reading but very fun to learn. It really is written in simple terms rather than difficult to understand. It's been printed in an extremely simple way and it is merely right after I finished reading through this pdf by which basically changed me, alter the way in my opinion.
