Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

GUARDED: THE SILVERTON CHRONICLES

Smart Heart Publishing. Hardcover. Condition: New. 276 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. When everyone's existence depends on the lies they tell, trust doesn't come easy. Ivy's neighbors have a secret. They aren't human. But Ivy has a secret, too. She knows. As long as everyone keeps quiet, she's happy working as a P. I. by day and chillaxing with her BFF Florian, a vampire, by night. When a routine pickup drops her in the middle of a murder, her two worlds collide. While Florian knows how to throw a punch, deep down he's a softie. His idea of scary is running out of hair product. It's time Ivy faced facts. Even with a vampire on stand-by, one gal can only kick so many asses. For help, she must put her faith in others. A human, who might just be the one. A demon, who will, for a price, open the doors to her heritage. And a werewolf, who wants to protect her from herself. Torn between these men, Ivy must tread carefully, because one wants her heart, one wants her body, and one wants her dead. A sexy urban fantasy by the author of *Divide and Conquer*. INTERVIEW WITH THE AUTHOR Q - What makes *Guarded* special? A - The characters, no doubt. Primarily, *Guarded* is a woman's adventure playing out in a paranormal world, where figures from lore co-inhabit our mundane world. Among the shapeshifters, demons and vampires, this young woman, Ivy, slowly comes to terms with who she is. Along the way, she must solve the mystery of a statue and avoid an old foe, but these layers really mainly serve as a vehicle for her character's transformation. At a deeper level, it's the chemistry between the people that stays with you. Especially memorable is the special friendship...
