Your #1 Guide to College and University Success Your college success depends on getting trusted advice that's backed up with years of experience with students. In this concise book you get superior tips on what you need to do to get great grades and keep your life manageable while in school. The last thing you need is a long book recruiting you to college. You need practical and to-the-point advice on how to succeed, how to make the right choices, and how to Crush IT. That's what this book is about an inexpensive yet indispensable no-nonsense guide for future and current college and university students. This Is Wisdom From The Trenches What Students Have Told Us Students have told us over and over that they are tired of not meeting the grade expectations of post-secondary study. In fact, universities, colleges, professors, administrators, parents, and students are all saying the same thing. Why are so many students struggling and what advice can be given to help students achieve academic success? We decided to take that challenge head on and put our experience on...
