*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Excerpt from The Civil Service Law: A Defense of Its Principles, With Corroborative, Evidence From the Works of Many Eminent American Statesmen The improvements in the revised edition of this work consist in an Appendix, a new Index, the addition of fresh matter to about thirty, pages of the Introduction and various chapters, and the correction of a few errors. The Appendix possesses much historical value, for it contains pertinent quotations from the works of many contemporary and recent statesmen not quoted in the body of the book. The warning of Storey and Washington (pages 225, 226) concerning the dangers of party spirit, should be read and heeded by every American. Parties, when they strive solely for principle, are the life of a nation; but when they strive solely for pelf, patronage, and power, they are its death. Even corrupt party leaders may destroy a republic; sometimes even ambitious leaders may do so. Did a nation ever make a narrower escape than did our own during the slaveholders rebellion? Who but ambitious party leaders caused that rebellion? Some truthful words concerning the crime of buying and selling votes have been added to page 52. This evil cannot be too soon remedied. Voters should be educated up to a higher standard. The American who acknowledges any man as his political boss, at the polls or elsewhere, disgraces the name American. Independent voting and an educational test for voters are what is wanted. The man who can not both read and write the English language, should not be allowed to vote. This would supersede the necessity for the so-called Force Bill, for the rule would apply to blacks as well as whites. A few...
