Brand New Book ***** Print on Demand *****.WINNER OF THE 2014 NATIONAL INDIE EXCELLENCE CHILDREN S PICTUREBOOK COVER DESIGN AWARD! Ages 4 and up Daisy: The True Story of the World s Most Interesting 3-Legged Chinchilla is a book that shows children the value of not only understanding and accepting differences, but celebrating and embracing the characteristics that make each of us unique. Daisy s story is a heartwarming tale of love, friendship and survival. After a tragic accident, Rosie the Chinchilla learns that even though her best friend Daisy looks different on the outside, she s still spunky, loving and fun. Rosie learns to appreciate and admire her friend s strength and determination as she not only survives losing a leg but learns how to run, play and do everything she always loved. With her strength and spirit, Daisy is a true hero! I love Daisy s story! Marney and Kim have done a wonderful job of helping children see that our differences are what make us awesome! We are all different in some way or another and Daisy is a fantastic example of how great that can be. - Ryan Haack, Learn more about Daisy and her life, including additional pictures, on her blog at Parents, educators, counselors and mental health professionals will also find a free companion Guide for Activities and Discussion to facilitate and support children in learning about differences.
