Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).
(Pasquale Larkin I)

PETER POWERS AND THE ITCHY INSECT INVASION! (HARDBACK)

Little, Brown Company, United States, 2017. Hardback. Condition: New. Dave Bardin (illustrator). Language: English . Brand New Book. Everyone in Peter Powers family has super awesome superpowers - except Peter. All he can do is make ice cubes and flash freeze little stuff. At least his brother and sister have finally stopped picking on him - mostly. But at school, an even more menacing bully has it out for Peter and his friends. As if that wasn't enough, Boulder City is being raided by robots! When his parents are captured, will Peter and his siblings be able to work together and save the day? Or will the town--and possibly the world--be iced? Join Peter Powers and his fantastic family for their second action-packed and fun-filled adventure to find out! This is the second in a new chapter book series of exciting stories about a young boy who has the worst superpower ever. Each story is full of humor, action, and fun, but the charm can be found in the heartfelt message about the power of family, friends, and having confidence.
