People do not count on Queen Geneva to protect them from Emperor Pompey, the wicked gamer who's always one step ahead. Things begin to change after the completion of the Starlight Fortress, a giant space structure that may be turned into their best weapon, if only Pompey would sit back and watch it happen. As the war evolves into a competition between old wisdom and advanced technology, Geneva can no longer tell friend from foe. Life itself is a battle, in which mistakes can be fatal and victories do not bring happiness. This item ships from La Vergne, TN. Paperback.
