Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

When St. Louis nurse Shannon Johnson inherits a cabin in Texas, she hopes it will be the perfect getaway from her high-pressure job--and her low-energy love life. Unfortunately, the place is a rundown shack with no electricity.except for the sizzling sparks that fly when she meets Matt Taggart, the big strapping rancher next door. One of the Lone Star State's most desirable bachelors, Matt Taggart has seen more than his share of gold-diggers--including his ex-wife--and he's sworn off love forever. He's convinced Shannon only wants a piece of his ranch. But when he challenges her to help him work the land, Matt begins to see Shannon for who she really is. And soon those sparks are igniting a fire they can't put out.
