Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. From the Romantic Times Sapphire award-winning author of the internationally best-selling Elfhame series. Rebuild a life, save a city Silas Decker had his world destroyed when he was attacked by vampires outside of New Amsterdam. He has rebuilt his life a dozen times in the last 300 years - each time less and less successfully. Now he lives alone, buried under a hoarding habit, struggling to find some reason to wake up with the setting of the sun. Eloise is a Virtue, pledged to hunting evil. What she doesn't know is how to live alone in a city full of strangers who know nothing about monsters. Seth is the 16-year old Prince of Boston, ward of the Wolf King. Now he is left in a city that desperately needs his protection with enemies gathering all around. Joshua believes he is a normal, college-bound high school senior. His life is shattered when he wakes up in a field, covered with blood, and the prom committee scattered in pieces about him like broken dolls. These four must now come together to unravel a plot by Wickers, witches who gain power from human sacrifices and have the power to turn any human into their puppet. Four people who lost everything struggle to save Boston by saving each other.
