

Ice Station (Paperback)

By Matthew Reilly

St Martin's Press, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. Antarctica is the last unconquered continent, a murderous expanse of howling winds, blinding whiteouts and deadly crevasses. On one edge of Antarctica is Wilkes Station. Beneath Wilkes Station is the gate to hell itself. A team of U.S. divers, exploring three thousand feet beneath the ice shelf has vanished. Sending out an SOS, Wilkes draws a rapid deployment team of Marines—and someone else. First comes a horrific firefight. Then comes a plunge into a drowning pool filled with killer whales. Next comes the hard part, as a handful of survivors begin an electrifying, red-hot, non-stop battle of survival across the continent and against wave after wave of elite military assassins—who've all come for one thing: a secret buried deep beneath the ice.

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.

-- Elinore Vandervort

If you need to add benefit, a must buy book. I could possibly comprehend every little thing out of this composed e pdf. I am quickly could get a enjoyment of looking at a composed book.
