Booksurge Publishing, United States, 2008. Paperback. Book Condition: New. 221 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Heartfelt and wise, *Surviving Five Daughters* by author Lynn A. Jacobson is a stunning odyssey of what it means for parents, specifically fathers, to raise daughters in the modern world. Timeless, funny and, at times, poignant, this autobiographical collection of sixty-four essays shares the good, the bad, the confusing-and almost everything in between. With directives on how to bathe a baby, sing to a child, and hone the fine art of being mean, the author provides gems of parental guidance that will pay dear old dads back in spades. The book is an absolute hoot with essay titles such as Rules of Life, Give in Early, Give in Often, and Toe Sandwich and while the friendly reminders that checkout time is noon on their eighteenth birthday go unheeded, the author finds himself riddled with the riddles of little ladies even twenty years after the fact. Behold, a family tradition is born-readers will laugh, cry and then laugh again.
