By Alton H Case, Al Case

Createspace, United States, 2013. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****. About Buddha Crane Karate: Matrixing is a method of logic. While it can be used in any endeavor, it is specific to the Martial Arts. This book, Buddha Crane Karate, demonstrates how Matrixing was created, and how it is used to delineate and align martial arts. Mind you, it is only the forerunner of the matrixing courses offered on my website, but it is pivotal to the development of matrixing, and thus extremely important. In this book you II see. The circle of blocks that eventually developed into the matrix of blocks. How I developed the buddha palm as a split timing sort of thing, which evolved Karate from a block and counter method. The exact thing that mushes data together and destroys the alphabet of the martial arts. You II see my first arguments as to how and why the martial arts become corrupted. You II see my first thoughts solving internal energy which will develop into the book on The Punch. You II see mention of various arts and how they contribute to matrixing. You II...
