Forgotten Books. Paperback. Condition: New. This item is printed on demand. 354 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Excerpt from Leisure Hours: A Choice Collection of Readings in Prose This work consists of Tales and Essays selected from various English publications, which have either never been published in this country, or have had but a very limited circulation here. It is intended to be, as its name implies, a useful and entertaining companion for Leisure Hours, - a book which may enliven the family circle, when assembled upon a winters evening around the social hearth, - which may accompany the reader while travelling by land or water, in stage-coaches or in steam-boats, - which may go with him when he flies from the heat, and noise, and dust of the city, to the pure air, and refreshing shade, and quiet enjoyments of the country, - which may cheer him in hours of languor and of sickness, - and which may profitably fill up those vacant hours in the life of a student, or man of business, when the mind, exhausted by its efforts, seeks, in amusement, for the restoration of its wonted powers.
