### **Reviews**

*The most effective pdf i ever read. it absolutely was writtern extremely flawlessly and useful. I am very easily will get a pleasure of reading through a published book.*  
(Prof. Vidal Ledner)

## ZEBRA STRIPES GO HEAD TO TOE

ANNICK PRESS, United States, 2013. Paperback. Book Condition: New. 224 x 198 mm. Language: English . Brand New Book. This little book shows children that squares are here and there, and if they keep an eye out, then stripes are everywhere. The fun, simple text and vibrant design of Zebra Stripes Go Head to Toe explore the concept of squares and stripes. Using words such as cube, line, block, and band, short poems encourage readers to spot the similarities (and differences) between the shapes of the stripes on a zebra and the stripes on a crosswalk, for example, or between a square soda cracker and cubes of cheese. A square puzzle piece has four corners, as does a square chocolate (until someone takes a bite)! Slats on a fence and striped socks both have lines, too -- but on one of them, you can't see through! Whether paired with Ladybugs Have Lots of Spots or read independently, this innovative book is a great way to introduce the concept of shapes to young children.
