

Endorfinas

By Lawson, Jack

OBELISCO EDICIONES, 2006. Condition: Nuevo. DROGATE CON LA VIDA! ¿Sabías que tu organismo es capaz de segregar una droga cientos de veces más fuerte que la heroína o la morfina? ¿Y que esta droga es totalmente natural y carece de efectos secundarios? ¿Sabías que la gente se droga para alcanzar, pagando un precio muy elevado, los mismos estados que podría conseguir gratuitamente gracias a las endorfinas? Las endorfinas, poderosos analgésicos bioquímicos segregados por el cerebro, constituyen uno de los descubrimientos científicos más importantes de la historia de la medicina. El masaje, los deportes, la música y, sobre todo, hacer lo que nos viene en gana, hace que fabriquemos endorfinas. El correcto flujo de éstas a través de nuestro organismo nos hace sentir bien. La felicidad es un estado bioquímico que todos podemos alcanzar, y las endorfinas son la droga que nos lo proporciona. DROGATE CON TUS PROPIAS ENDORFINAS!

Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composes this pdf.
-- **Ryder Nolan**

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It has been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modified the way I think.
