Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Tao Teh King OR The Tao and its Characteristics by Lao-Tse Translated by James Legge The Tao Te Ching, Daodejing, Dao De Jing, or Daode jing, also simply referred to as the Laozi is a Chinese classic text. The text s true authorship and date of composition or compilation are still debated, although the oldest excavated text dates back to the late 4th century BC. The Tao Te Ching, along with the Zhuangzi, is a fundamental text for both philosophical and religious Taoism, and strongly influenced other schools, such as Legalism, Confucianism, and Chinese Buddhism, which when first introduced into China was largely interpreted through the use of Daoist words and concepts. Many Chinese artists, including poets, painters, calligraphers, and even gardeners, have used the Daodejing as a source of inspiration. Its influence has also spread widely outside East Asia, and is among the most translated works in world literature. The Wade-Giles romanization Tao Te Ching dates back to early English transliterations in the late 19th century; its influence can be seen in words and phrases that have become well established in English. Daodejing is the pinyin romanization.
