iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Reaching Out Come, hold my hand, reach out to forge a chain, And in the holding, I myself, am held again, Not only held, but healed, the wounds between us closed, Becoming friends, no longer fearful foes. Here, take my hand, love s offered with this clasp, Comfort and hope, for you and me within its grasp. There s a certain harmony in rhymes. The rhythm sounds like the beat of a heart, the words like a spoken melody. Thoughts, feelings, and experiences are articulated in these lines, and every poem reflects a story. The poems found in Heartdates: Reflections on Life deliver such timeless expressions and create an environment perfect for camaraderie. Author Ina Timmer artfully captures the stories of our lives through her distinct voice. She believes that we all share the same longings and have similar hopes and fears. In our quest to find someone else who understands and can identify with us, we often look to the magic of poetry to find that kindred soul. Heartdates will bridge the gap between likeminded individuals.
