

On the Tip Edge of a Secret: Dreams, Visions, and Prophecies for the Future (Paperback)

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

(Robyn Nolan)

ON THE TIP EDGE OF A SECRET: DREAMS, VISIONS, AND PROPHECIES FOR THE FUTURE (PAPERBACK)**DOWNLOAD**

Blue Dolphin Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. A MIRACLE IS ABOUT TO HAPPEN! DENNISON TSOSIE, a traditional Navajo silversmith and artist, began receiving spontaneous dreams and visions in 1986. It all began when Dennison's wife, Teddi, placed a special crystal under their pillow. Quite dramatically, Dennison was guided into a visionary world of prophetic teachings which shed light on missing pieces of history-from a multitude of past cultures-and on our potential future. An unsophisticated man who wasn't interested in world events, Dennison was mystified over messages warning of earth changes, political upheavals and possibilities of war, alien abductions, and secret government cover-ups. In this second volume of visions from 1996 to 2012, Dennison was shown, ahead of time, the New York twin towers tragedy, hurricane Katrina in New Orleans, the shock and awe of Baghdad, the wars in the Middle East, the terrifying tsunami in Malaysia, the scandals in the Roman Catholic Church, the economic crises throughout the world, the Fukushima nuclear meltdown, and numerous other events. -They kept showing me the date 2020 and they said it's a date when the earth is natural again. It is when mankind will be living in harmony with the earth. The year 2020 is when the whole process will be complete. Then will come the Golden Age when man will live in harmony with Nature. The world you now know will be gone. - The message is one of hope, despite all the scenarios of economic collapse, disasters and war. Mankind collectively is on the threshold of a miracle! The opportunity comes but once every few thousand years, and it's here again. Perhaps this time it will happen! We are told we need to be prepared on a spiritual level...
