Harper Teen, 2017. Hardback. Condition: New. Language: English . Brand New Book. Hugo and Nebula Award-winning author Kelly Link calls Elizabeth Byrne s debut novel *The Grave Keepers* a lyrical and gorgeously uncanny coming-of-age story of incantatory power. And Edgar Award-winning author Mindy McGinnis says of *The Grave Keepers* At times deeply atmospheric and darkly haunting, *The Grave Keepers* takes us on a spine-tingling journey into a world much like our own, where more lies beneath than above. *The Grave Keepers* is a unique coming-of-age story set in a society obsessed with grave keeping. Lately, Athena Windham has been spending all her spare time in her grave. Her parents--owners of a cemetery in Upstate New York--are proud of her devoutness, but her younger sister, Laurel, would rather spend her time exploring the forest that surrounds the Windham s property than in her own grave. The Windham girls lead secluded lives--their older sister died in a tragic accident and their parents protectiveness has made the family semi-infamous. As the new school year begins, the outside world comes creeping in through encounters with mean girls, a new friend, and a runaway boy hiding out in the cemetery. Meanwhile, a ghost hangs around the Windham property--the only grave keeper never to cross over--plotting how to keep the sisters close to home and close to her . . . forever.
