

## Carmen Cooks Healthy!: Represent and Solve Problems Involving Division (Paperback)

By Martin Chilson

Rosen Classroom, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Real-life situations and relatable narratives introduce students to the principles of multiplication and division, an essential part of third-grade math. Age-appropriate language encourages learning, which will help readers to become fluent in more complex math topics. Engaging visuals complement high-interest topics, while visually appealing designs help to make the math concrete. Readers will join Carmen as she learns how to cook and eat healthy while gaining a deep understanding of division. This volume meets CCSS Math Standard 3.OA.A.3.

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
