

Empty Room with Light (Paperback)

By Ann Elizabeth Hostetler

Cascadia Publishing House, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In her first full-length collection, Empty Room with Light, Ann Hostetler draws on her training as a visual artist as she seeks to articulate moments of illumination in everyday life. The collection is structured by a series of frames playfully named after different forms of visual display, such as Family Album, Exhibitions, and En Plein Air. A rich and varied palette of images-from the severe beauty of her Amish Aunt's flower garden to the psychedelic swirls on her own painted toes-both lends Hostetler's work a distinctive voice and offers readers many points of connection. Each section of the book illuminates a different facet of the poet's journey through life.
