

Humane, Science-Based Horse Training: Introduction to Learning Theory and Exercises for Everyday Handling, Care and Fitness (Paperback)

By Alize Veillard-Muckensturm

Alize Veillard-Muckensturm, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Humane, science-based horse training is a type of training where the user combines an evidence-based understanding of equine behaviour with his genuine love and respect for horses in order to train and handle horses in an ethical yet effective way. This book will introduce you to the science behind animal training and explain how you can use positive reinforcement and other non-coercive techniques to train a wide range of behaviours. It also include twenty or so step by step training plans so you can go out and teach your horse to give his feet, lead calmly, back up and so much more. This book is written by horse trainer, qualified equine behaviourist and Pet Professional Guild s member AlizE Veillard-Muckensturm.
