By Jacqueline Corcoran

Oxford University Press Inc, United States, 2012. Paperback. Condition: New. New.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Direct practice foundation courses in social work prepare students for every step of the problem-solving process, yet too often emphasize the what and the why of practice at the expense of the how. This practical, easy-to-use, and hands-on guide bridges this gap by illustrating the helping skills that practitioners can actually use to influence people's lives in positive ways. Integrating two major helping models-motivational interviewing and solution-focused therapy-it equips students with the techniques and skills necessary for activating client strengths throughout the problem-solving process. Helping Skills for Social Work Direct Practice presents a wealth of sample dialogue, exercises, tips, and do's and don'ts, all designed to encourage learning by doing. This workbook helps make the links between theory and practice with these unique features: - Chapters logically organized by phases of the problem-solving process - Case demonstrations involving a variety of roles, including case manager, crisis intervention counselor, medical social worker, and school social worker - Practice exercises that prompt students to apply and generalize skills to different practice settings and client problems - Exhibits and...

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Otis Wisoky

*This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*
