LATIN AMERICA FACING CHINA: SOUTH-SOUTH RELATIONS BEYOND THE WASHINGTON CONSENSUS

Berghahn Books, United Kingdom, 2012. Paperback. Book Condition: New. Reprint. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.fills a significant gap in the existing discourse by providing a comprehensive analysis of a crucial structural feature of South-South relations. Alex Fernandez Jilberto (who sadly passed away shortly before the book was published) and Barbara Hogenboom have put together insightful chapters on the bilateral relations between individual Latin American states and China, written by knowledgeable specialists, to produce one of the best books yet in its field. International Affairs This is an excellent macro study of Sino-Latin American relations. The credentials of the contributors are first-rate, as are the organization and readability of the book - Highly Recommended. Choice [This] volume is filled with rich data drawn from timely empirical research.[A] crucial contribution to Latin American Studies on a subject of ever increasing urgency. From a political economy perspective this sophisticated yet accessible volume covers the waterfront of major domestic and international relations issues raised by China's growing influence in the region. The focus on the longer-term development implications of the relationship for Latin America raise a critical question that cuts to the core of Latin America's perennial dilemma. How will the region wean itself off raw materials exports as the principal engine of economic growth? The relationship with China, in any case, does not seem to be the path. Eduardo Silva, Tulane University The last quarter of the twentieth century was a period of economic crises, increasing indebtedness as well as financial instability for Latin America and most other developing countries; in contrast, China showed amazingly high growth rates during this time and has since become the third largest economy in the world. Based on several case studies, this volume assesses how...
