ROGER: SEVENTEEN ADVENTURE FILLED YEARS BEFORE, DURING AND AFTER HITLER S WAR (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Within a month of his birth, his Victorian Grandparents took over raising Roger while his widowed mother returned to work to support herself and her son. Because of where they lived until the day he started school on his fifth birthday, Roger only met one boy of his age. Being inquisitive, he liked to find out what made things tick including three alarm clocks that never ticked again after he investigated their mechanisms. His Grandfather taught him to use tools and woodworking and also creating in Roger a spirit of adventure by reading him Victorian adventure stories. In 1938 he joined the overcrowded infant s class at St Clares School, Higher Blackley in North Manchester that already had over fifty pupils in every class. Just two days after Britain declared war on Germany, the school was evacuated, Roger to North Wales where he went to live with an impoverished Welsh only speaking family. His experiences included including sharing a bed with the other boys in the family. During this period he rapidly gained a useful smattering of the Welch language. Six weeks later his mother and after finding his living circumstances and in particular that he had to act as the interpreter during her visit rescued him and took him back to still bomb free Manchester. At home with all the schools closed, his Grandparents continued very successfully his education for over a year. When the Manchester blitz started, his mother took him to live high up in the Pennines at Facit, near Rochdale. When he joined a class in the local school that included several pupils from the same class he had left, it was found that he was ahead of...
