A DRIVERS GUIDE TO SAFE BOAT RACING

lulu.com. Paperback. Condition: New. 64 pages. Dimensions: 8.6in. x 5.9in. x 0.3in. Boat racing is fun, and here's a guide that describes ways to improve the driver's safety and increase the enjoyment. Aimed primarily at the novice driver, it may also be considered a refresher for the more experienced driver. A legacy of numerous driver experiences has been boiled down to simple dos and don'ts. This guide draws attention to the decision chain, which affects the probability of a racing incident occurring, and emphasizes that attention to these decisions early on tends to minimize the risks later. Fundamental information includes facts about personal equipment, the cockpit environment, defensive driving, the anti-doping policy, and other topics. A concerted, consistent practice of adhering to these suggestions not only lowers the risk of injury but also improves performance. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
