

Naturity (Paperback)

By E G Asher

Noemi Press, 2017. Paperback. Condition: New. Language: English . Brand New Book. Poetry. Jewish. LGBTQIA. NATALITY is an epic poem, a palimpsestic narrative-body that confronts the tyranny of jealousy by multiplying narrative possibilities at every turn, troubling fixed assumptions of identity through the (im)possibility of rebirth. The biblical figures Hagar and Sarai have been read through a narrative of jealousy as early as the 6th century B.C.E. when Abrahamic lore had its written beginnings. From the fractured grounds of familial, communal, and (inter)national turmoil emanate the voices of Hagar and Sarai in the news, familial lore, Renaissance paintings, video-games, texts, etc. Their voices merge, come undone, lay side by side, untouch, stain, mar, beautify, knot and unknot. Attentive to failure and irredeemable loss NATALITY unearths ancestral trauma from the past and weaves it thoroughly into the present.

Reviews

I actually started looking over this publication. It really is rally interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
