Random House USA Inc. Paperback. Book Condition: new. BRAND NEW, Healing the New Childhood Epidemics: Autism, ADHD, Asthma, and Allergies: The Groundbreaking Program for the 4-A Disorders, Kenneth Bock, Cameron Stauth, Korri Fink, Autism is an epidemic: It has spiked 1,500 percent in the last twenty years. ADHD, asthma and allergies have also skyrocketed over the same time period. One of these conditions now strikes one in every three children in America. But there is hope. Leading medical innovator Kenneth Bock, M.D., has helped change the lives of more than a thousand children, and in this important book, with a comprehensive program that targets all four of the 4-A disorders, he offers help to children everywhere. Dr. Bock's remarkable Healing Program, drawing on medical research and based on years of clinical success, offers a safe, sensible solution that is individualized to each child to help remedy these root causes. The biomedical approach to autism, ADHD, and the other 4-A epidemics, as innovated by Dr. Bock and some of America's finest integrative physicians, is one of the most promising and exciting medical movements of our time. In this eminently readable account,...
