This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Swiss Confederation In this work the authors have endeavoured to give a succinct account of the rise and progress of the Swiss Confederation through the seven phases of its development, and of the legislative, executive, and judicial authorities which exercise the Federal sovereignty under the amended Constitution of 1874. The nature of the Referendum, or popular vote, whether Federal or cantonal, which is an institution peculiar to Switzerland; the right of Initiative granted to a single voter or body of voters to set on foot proposals for new legislation or for the alteration or abolition of existing laws; and the Communes, which are the basis of Swiss republican institutions, are treated in separate chapters. The Cantons and their Tribunals, the organization of the Army, the system of Education, Religion, Agriculture, Commerce, and some few other subjects, are also dealt with, and in Chapter XIX we have attempted a short comparison between the political institutions of the ancient Swiss Confederation and the more modern Republic of the United States of America.
