

## This Is Water: Some Thoughts, Delivered on a Significant Occasion, About Living a Compassionate Life

By David Foster Wallace

Little, Brown and Company, 2009. Hardcover. Book Condition: New. Originally delivered as a commencement address in 2005 and discussed widely in the wake of his suicide in September 2008, this astonishing essay - aphoristic and fragmentary - offers up comic observations of contemporary American life and probes the deepest fundamentals of human nature. Wallace reveals the most basic, most important decision we all make every day - how to think about our world, how to live our daily lives - as if that were the only mystery worth dying for. Eat your heart out, E.M. Cioran! 138p.
