Indiana University Press. Paperback. Book Condition: new. BRAND NEW, Globalization and the Challenges of the New Century: A Reader (New edition), Patrick O'Meara, Howard Mehlinger, Matthew Krain, A blue ribbon collection of major articles and position papers on the concept of globalisation. By bringing together a number of major thinkers and different perspectives, this book provides a broad introduction to the topic, which lays the groundwork for an interdisciplinary collaborative dialog. Contributors include Kofi Annan, Francis Fukuyama, and Bill McKibben. The fact that we live in a globally interconnected world has become a cliché -? Scholars, business leaders, and policy makers are increasingly concerned with globalisation, yet the study of these changes is still in its infancy. There is little consensus on how to approach the subject of globalisation or how our lives will be affected by it. By bringing together a number of major thinkers and different perspectives, this book provides an introduction to the topic. It broadens the scope and lays the ground work for an interdisciplinary collaborative dialog.
