GRIN Verlag. Paperback. Book Condition: New. Paperback. 28 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. Essay from the year 2002 in the subject Politics - Political Theory and the History of Ideas Journal, grade: 1, University of Kent (Department of Politics and International Relations), 6 entries in the bibliography, language: English, abstract: The moral standing of states is one of the most essential issues in contemporary international relations. Wars have been fought and lives have been lost in the name of the state. A majority of people seems to value states very highly, or they would not be prepared to give their lives for the protection of the state. Being a member of a state must thus have a number of valuable advantages and generally be regarded as a good thing. But is also evident that not every state will do for every group of people. In the struggle for a state of their own many groups and nations have fought and still fight violent wars. Different states are valued differently by its citizens. However, the question about the moral standing of states is not a simple one and cannot be answered with reference only to taste and preference. The...
