

## The Bad Girls Club (Paperback)

By Rhian Tracey

Bloomsbury Publishing PLC, United Kingdom, 2005. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Four girls - Mary, Bea, Meena and Atlanta - are thrown together when they are picked for very different reasons by their teacher, to form a book review club. Their discussions and reviews will be heard on radio, chaired and presented by the incredibly cool Jazz. As the girls gradually relax and talk more and more animatedly about what they think about the different books, they find they are learning from, as well as about, each other. And so they become friends. Until one day Mary does the unforgivable and, having flirted outrageously with Bea's new boyfriend, makes an all-out play for him. The tender new friendship of the foursome is fractured as a result of what Mary has done. Narrated by the different characters in turn, this is fresh, contemporary and compulsive writing that every teenager will identify with, charting the insecurities and the tests of friendship that are part of growing up the world over.
