THE BEST BUSINESS WRITING 2015 (PAPERBACK)

[DOWNLOAD](#)

Columbia University Press, United States, 2016. Paperback. Condition: New. 2015 ed.. Language: English . Brand New Book. Corporate monopolies, gross mismanagement, retail delivery drones, the growing app economy-2015 was a year of profound changes in the world of business and finance. Offering clear-eyed assessments of these developments along with compelling profiles and muckraking reports, the incisive articles in this volume provide an essential guide for understanding business s influence on economics, politics, and culture. Selections include Sarah Maslin Nir s explosive expose of the nail-salon industry in the New York Times and the Associated Press s disheartening investigation into slave-labor practices abroad. The stories in this volume explore new frontiers in the way we do chores, eat takeout, order online, and dumpster-dive, showcasing business s rapid evolution under the influence of new technologies. Profiles include the amusing portrait of a young investor who made a fortune betting on penny stocks; the inspiring and cautionary story of an undocumented immigrant who became a star trader at Goldman Sachs; and the shocking account of a troubled financial prodigy who defrauded his inner circle of millions. Claire Suddath adds her take on corporate America s broken maternity-leave system (Businessweek), and Charles Levinson reminds us of Wall Street s close ties to Washington in a probing look at the making (and unmaking) of the Dodd-Frank financial reform act (Reuters).
