Filesize: 7.92 MB

Reviews

This composed book is excellent. This really is for all who statte that there had not been a worth reading through. Your life period will probably be change as soon as you total looking over this ebook.
(Cheyanne Barrows)

THE OLD MEN WILL DIE FIRST: A TRUE STORY OF COLD WAR ESPIONAGE (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The 1973 Yom Kippur Middle-East War occurred when the Nixon White House was in chaos because of the collapsing Watergate cover-up and operating on the belief that the Soviets had supplied nuclear weapons to Egypt to be fired at Israel. High level Soviet dissidents chose me-a visiting scientist-to carry documents back to the US in order to open a back channel to the US Government. How was I, untrained in espionage-to flee with documents proving the dissidents were turning against Soviet provocative actions? The KGB counter-intelligence knew a courier existed, but not who or where. Either I escaped or the dissidents had to arrange my death-or risk their own exposure.
