

Mortis Virum

By P M Johnson

Trafford Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.P. M. Johnson s exciting debut novel chronicles the ill-conceived account of a brilliant but socially awkward history professor innocently conducting research for a paper on a religious-cult-based terror attack occurring almost twenty years earlier and half-way around the globe. Professor Cary Parker O Connor inadvertently stumbles upon a current day plot by a marginal group of extremists known as the MHHB to infect a willing suicidal flock of human mules with an extremely deadly and infectious viral hybrid of Zaire Ebola and a little-known nasty bug named Morgellons. Not only does this fanatical sect possess the biological agent, but they are already on U.S. soil, have the means to release it, and have already alpha tested it. Their plan is to release the infected martyrs on an unsuspecting populace in the continental United States with the help of a notorious individual known only as KAJI. The professor, along with his two colleagues; Vincent, a student of his working on his Masters Degree and Caroline, a companion of chance whose father is brutally assassinated by the terror...

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.
