

It s All in My Head - Living and Working with Parkinson s (Paperback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Lulu.com, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mr Halsey, you ve got Parkinson s. Thank God for that!! For a moment I thought you were going to say I was seriously ill! From diagnoses to the recent introduction of a new Doudopa treatment, this witty and poignant book chronicles a journey into self-doubt, creativity and household chores.It has a truth about life, love, CBA and the practical use of man bags. (I m now the owner of a selection of designer man bags. I told my wife that paying GBP130 for a Hugo Boss plastic, PLASTIC! bag was an excessive price to pay. She obviously took my advice to heart because the following day she brought in a Michael Kors plastic bag which only cost GBP115!) It s all in my head - says it as it is, says it through music and speaks to us all. There s a line in the song that struck a particular chord (no pun intended) with me. I witnessed this for myself in the remarkable transformation that took place in my fellow sufferer lying in the bed across from me on ward 43 - Hey, wait a minute.That s you!.
