Base Branch operative, Ryan Noble is accustomed to taking orders whether from his commander or his overbearing mother. His best friend urged him to take control of his life, but the only thing worse than an angry woman is a teary one. He has no desire to upset his mother's fragile emotions. Losing his sister was hard enough, his mom couldn't bear losing another child. Even if it is to the other side of D.C. It's a damn good thing she doesn't know what he does for a living. On a routine mission to destroy a cargo free human trafficking facility and exterminate its operators, Ryan blows his extraction to rescue a woman he finds chained inside. Piper Vega is caught between metal and a hard place. She needs information and it has taken far too long to cull it from her leads, also known as her captors. She finally has the facts she needs...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
