Createspace, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. The Scriptures is full of codes which have been placed for human identification and gain. The problem often is that man does not always have the resources to unlock these codes. While acquisition of the keys to these codes is within human grasp, most men have not disposed themselves to seeking the truth of the Lord God and getting the corresponding benefit that is promised man. Much of the time, we read the genealogies of Bible characters with the lethargy of reading a very uninteresting subject. Much of the time we glance past many of these, convinced there is nothing relevant in them for the modern man. However, there is a lot to learn and to uncover in the Bible. Some of the greatest secrets and the most sought after secrets are actually cached in the supposed boring genealogies. The Scriptures is replete with numbers. Often, these numbers have overwhelming value and significance. One number that has continued to hold a mysterious grip on many, and defy explication is the number 666. There can be no doubt that numbers in the Scriptures need to be studied. Numbers are signs. A survey of signs of the Lord, easily reveal that most signs of the Lord God are revealed to the beneficiaries, being almost always the people that the signs are meant for. Thus studying a number or group of numbers should not be limited to scholastic approach. There is a need to incline or dispose oneself to the Lord for the necessary revelation. Anything short of this may lead to conjecture and wrong assumptions, which may not stand rigorous empiricism. The one Book of the Scriptures that holds information relating to...
